

Summer is Here
At **Greenway Nursery School**
SUMMER HOLIDAYS- PRE PRIMARY

Dear Parents

Once again it's that time of the year to chill ourselves with a dip in cool pool. But Summer Holidays set parents wonder how to keep the children engaged. Trust us no other time of the year can be as wonderful as vacations.... Do not let the precious days of the child be numbed with too many hours in front of the T.V. Get them going! It's the time when they will strengthen their foundation through Holiday Home work Assignments.

So here to keep our little ones a bit engrossed we have planned most of the activities and assignments. Though teachers will not be physically present to keep a supervisory eye on the children and their work, Guardian Angels at home i.e. you parents are there to take care of their emotional, social, physical and academic needs.

We hope the homework and activities will be well managed and presented so that all our children earn a golden star in all the subjects as each subject Holiday Home work carries Separate Grades.

There are certain things we need to remember & do in summers like-

MANNERS

Good Habits & Good Manners are life long assets and manners must be practiced until they become a habit.

Four magic words that are basics of good manners are - Please, Thank you, Excuse Me and Sorry. Make these four words a habit and see the difference.

Best out of Waste:
